Productivity the Smart way.

Your workgroups need to generate and share digital and hard-copy documents quickly and easily. You want simple yet smart solutions at your fingertips that the business can afford. Combining versatility, ease of use and advanced document handling, our extended range of professional quality black and white A3 MFPs is the smart way to put your business ahead.

- Smart Operation Panel with intuitive 10.1-inch touch panel helps increase productivity and improves workflow
- Intel processor will improve productivity with faster results/ faster jobs
- Great finisher options in the 1000-sheet hybrid finisher, all-in-one offering (staples and staple-less finisher) and Inner Folder built in
- Instant access to our Application Site, where you can download innovative job specific applications
- ECO-friendly machines with low power consumption in sleep mode

Work the way you want to work.

When you've got a business to run, you want everything to be seamless. We've created the innovative technology in this range to help you transform the way your organisation operates. In fact, things like improved usability, enhanced productivity, and high-level solution capabilities are just the start.

The complex made easy.

Employees should be able to deal with any scanning, copying, and print requirements – whether they are single or multi-page document formats – quickly and intuitively. Combining smart touch screen operation, fast scanning, advanced document feeding, plus hybrid sheet finishing and folding options, this all-in-one range ensures they can. Managing workflow has never looked so good.

Touch. Swipe. And improve workflow.

A 10.1 inch Smart Operation Panel offers intuitive touch and swipe operation, saving time and effort. Execute common functions like copying and scanning with one touch. The panel also includes full internet browser capability. You can even customise the home screen with the functions you use most, whilst retaining one-touch access to other commonly used functions. There are on-screen guidance and clear previews for configuring advanced layout and finishing operations.

Expand capability with Apps.

Customise and extend MFP functionality even further with Ricoh smart applications. Our Application Site has a range of job-specific apps that will enhance workflow and document-sharing, view the print queue, printer status and information on paper trays, with the Quick Print Release app. Download direct and install automatically via the Smart Operation Panel.

Do more with mobile devices.

Save time and effort by sending documents directly from and to your MFP using mobile smart devices. Print, scan, save and email files too. Watch as your workforce accesses and uses advanced productivity features efficiently and securely.

More opportunities. Less cost.

Save power. Save money.

All models come with enhanced usability and a "1.0-second ready-to-operate" system for improved productivity. The MFPs jump into action as soon as you begin to interact with them, which means you spend less time waiting for the machine to warm up. Reduce operating costs with an efficient sleep mode that automatically minimises power consumption.

Innovation doesn't have to cost the earth.

Exceptionally durable and full of innovative technologies - combined with our hallmark attention to ECO-friendly features - ensures you get an MFP that is not only efficient in every function but is sustainable too. Your total energy consumption has never been lower.

Improved usability. Enhanced productivity.

High productivity that's easy to handle.

A fast-moving business needs robust, reliable support. With range capabilities offering monthly print volumes from 4,000-15,000 copies, there's a model for every need. An Intel processor and large capacity trays helps you quickly process and output any job, whilst noiseless start-up prevents any workplace distractions.

Select your speed.

For everyday office duties, look to the 25, 30 and 35ppm models. Or, for fast-turnaround, higher demand workflows, choose from 40, 50 and 60ppm. There's no easier way to deliver a versatile, reliable, infinitely usable professional quality black and white MFP matched perfectly to each department.

More finishing options.

It's easy to create engaging collateral that's ready for your internal or external marketplace. The optional hybrid finisher can provide both a staple and stapleless function, as well as a multi-folding finisher which can prepare documents in a variety of styles, including z-fold, half-fold, outer three-fold and inner three-fold.

Your versatile and productive solution

1. Smart 10.1 inch Smart Operation Panel
2. 1,000 sheet staple and stapleless hybrid finisher
3. Multi-folding finisher for a variety of different styles
4. Powerful Intel processor
5. Automatic and Single Pass Document Feeder for high speed scanning
6. High paper tray capacity of up to 4,700 sheets

GENERAL

Warm-up time:	20 seconds
First output speed:	4.6/4.6/4.3/4/2.9/2.9 seconds
Continuous output speed:	25/30/35/40/50/60 pages per minute
Memory:	2 GB
HDD:	320 GB
Dimensions (W x D x H):	With ARDF: 587 x 684 x 913 mm With SPDF: 587 x 684 x 963 mm
Weight:	With ARDF: 71 kg With SPDF: 76.5 kg
Power source:	220 - 240 V, 50/60 Hz

COPIER

Copying process:	Laser beam scanning and electro-photographic printing
Multiple copying:	Up to 999 copies
Resolution:	600 dpi
Zoom:	From 25% to 400% in 1% steps

PRINTER

Printer language:	Standard: PCL5e, PCL6, PostScript 3 (emulation), PDF direct (emulation) Option: Genuine Adobe ® PostScript® 3™, XPS, PDF, IPDS, PDF Direct from Adobe®
Print resolution:	Maximum: 1,200 x 1,200 dpi
Interface:	Standard: SD slot, USB Host I/F, Ethernet 10 base-T/100 base-TX/1000 base-T Option: Wireless LAN (IEEE 802.11a/b/g/n), USB Server for Second Network Interface, Bi-directional IEEE 1284/ECP, USB 2.0
Network protocol:	TCP/IP: IP v4, IP v6
Windows® environments:	Windows® Vista/7/8/8.1/10, Windows® Server 2008/2008R2/2012/2012R2
Mac OS environments:	Macintosh OS X v10.7 or later
UNIX environments:	UNIX Sun® Solaris: 2.9, 2.10 HP-UX: 11.x, 11i v2, 11i v3 SCO OpenServer: 5.0.6, 5.0.7, 6.0 RedHat® Linux: 6.x, 7.x, 8.x, 9.x IBM® AIX: 5L v7.1, V5.3, V6.1, V7.1
SAP® R/3® environments:	SAP® R/3®
Other supported environments:	NDPS Gateway AS/400® using OS/400 Host Print Transform IBM iSeries

SCANNER

Scanning speed:	ARDF: Max. 80 originals per minute SPDF: Max. 110 (simplex)/180 (duplex) originals per minute
Resolution:	Maximum: 600 dpi
Original size:	A3 A4 A5 B4 B5
Bundled drivers:	Network TWAIN

Scan to:	E-mail, Folder

FAX

Circuit:	PSTN, PBX
Compatibility:	ITU-T (CCITT) G3
Resolution:	Standard: 8 x 3.85 line/mm, 200 x 100 dpi, 8 x 7.7 line/mm, 200 x 200 dpi Option: 8 x 15.4 line/mm, 400 x 400 dpi, 16 x 15.4 line/mm, 400 x 400 dpi
Transmission speed:	G3: 2 second(s) (200 x 100 dpi, JBIG), 3 second(s) (200 x 100 dpi, MMR)
Modem speed:	Maximum: 33.6 Kbps
Memory capacity:	Maximum: 60 MB

PAPER HANDLING

Recommended paper size:	Standard paper tray(s): A3, A4, A5, A6, B4, B5, B6
Paper input capacity:	Standard: 1,200 sheets Maximum: 4,700 sheets
Paper output capacity:	Maximum: 1,625/1,625/1,625/3,625/3,625/3,625 sheets
Paper weight:	52 - 300 g/m²

ECOLOGY

Power consumption:	Maximum: 1,600/1,600/1,600/1,780/1,780/1,780 W Ready mode: 58.3/58.3/58.3/48.8/48.8/48.8 W Sleep mode: Less than 0.84/0.84/0.84/0.82/0.82/0.82 W TEC (Typical Electricity Consumption)*: 0.33/0.39/0.45/0.52/0.69/0.8 kWh

* It is a reference value based on the ENERGY STAR Ver.3.0 test method.

OPTIONS

ADF handle, 1 x 550-sheet paper tray, 2 x 550-sheet paper tray, 2,000-sheet large capacity tray, 1,500-sheet side large capacity tray, Bridge unit, 1,000-sheet Hybrid finisher, 3,000-sheet finisher, Internal finisher, Internal finisher with stapleless stapler, 1,000-sheet booklet finisher, 2,000-sheet booklet finisher, Punch kits, Internal shift tray, One-bin tray, Side tray, Caster table, Low cabinet, Bi-directional IEEE 1284, Wireless LAN (IEEE 802.11a/g/n), Counter interface, File format converter, Key counter bracket, Card reader bracket, Fax Connection Unit, Fax marker, Fax memory, Fax option, Unicode Font Package for SAP, OCR Unit, Smart Card Reader Built-in Unit, Enhanced security HDD, External keyboard bracket, USB Device Server, G3 Interface unit, Extended USB board, Internal multi-fold unit

CONSUMABLES

Toner target yield (A4/LT, 6% coverage):	Black: 24,000 prints (25/30/35 ppm), 37,000 prints (40/50/60 ppm)
